

Certificate of Appreciation

Dear Ajaykrishnan S,

You have been appreciated by Shalini Vulupala.

Tested GFIS applicatons. He made a rapport with development team to get things done in smooth way. kudos to him on that.

Participated in Peer Reviews and Team meetings.

He has good communication and presentation skills. Can work under stress and in difficult teams

He takes constructive criticism well and acts on to improve

Has Can-Do attitude. Throw any work at him and he amazes with speedy completion.

Overall a very good technical as well as testing resource and works really well in teams.
